

I joined Edmund Carr in July 2015 as a Trainee Accountant after completing the AAT Level 2 & 3 Fast Track at Colchester Institute; prior to studying the AAT I completed Economics, Accountancy, Business Studies, Financial Studies and Geology A-Levels at Colchester Sixth Form College. Studying accountancy at A-Level has helped me develop a basis of accounting knowledge which has been furthered through studying the AAT.

I am currently studying AAT Level 4 on day release at Colchester institute with the aim of completing this in June and moving on to start training to become a certified chartered accountant. In the office there is a supporting nature where there is always someone available to help if asked. Edmund Carr is an extremely friendly place to work at there is always a good social atmosphere in the office.

Working at Edmund Carr whilst completing my AAT has enabled me to put the theory gained throughout my A-Levels and the furthered skills I have learnt at college into practice through both internal work and audits.

Peter Brown

AAT Trainee
